

**AGREEMENT
IN LIEU OF AN EROSION AND SEDIMENT CONTROL PLAN
FOR A SINGLE FAMILY RESIDENCE IN A SUBDIVISION**

In lieu of submission of an erosion and sediment control plan for the construction of this single family dwelling, I agree to comply with any reasonable requirements determined necessary by employees of Rockingham County, Virginia, representing either the Building Inspector or the County Erosion and Sediment Control Ordinance, and shall represent the minimum practices necessary to provide adequate control of erosion and sedimentation on or resulting from this project.

As a minimum, all denuded areas on the lot shall be stabilized within seven (7) days of final grading with permanent vegetation or provide ground cover suitable for the time of year.

I further understand that failure to comply with such requirements within three working days following notice by the representatives of Rockingham County should result in citation for violation of the Rockingham County Erosion and Sediment Control Ordinance.

**THE LANDOWNER IS ULTIMATELY RESPONSIBLE FOR
THE LAND DISTURBANCE OCCURRING ON THEIR
PROPERTY.**

Measures Specified by Plan Approving Authority:

1. Stabilization of disturbed areas as soon as possible.
2. Gravel the site entrance as soon as possible to limit mud tracked onto roadways.
3. Place straw bales or silt fence in areas where sediment transport is apparent.
